ACCOMMODATION

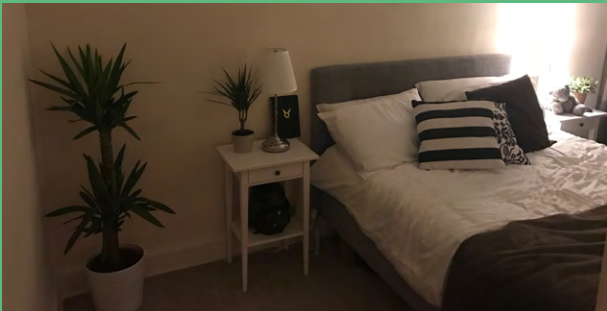

WE HELP YOU TO FIND YOUR HOME

We are always happy to offer advice on the best accommodation for you and our team will be available to help with anything during your stay.

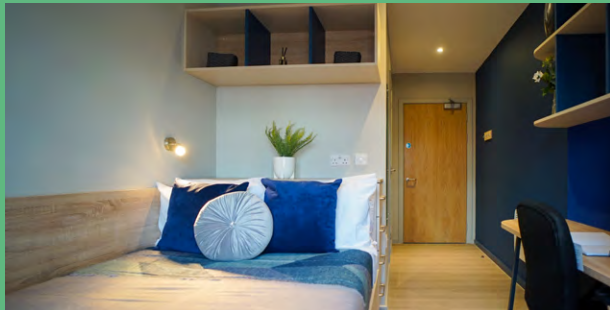

Homestay Half-Board

Live with a family in one of our carefully selected and comfortable homes. You will have a single room with shared or private bathroom, bed linen, Wi-Fi and use of communal facilities. The families also provide access to laundry and a front door key for you to come and go at your leisure.

Homestay Self-Catering

This option is suitable for students who would like to live in a homestay environment but prefer to cook their own meals. Accommodation may be shared with a landlord or owner and there may be other students. You will always have a private bedroom with bed linen and access to communal facilities and Wi-Fi.

Student Residence

Student residence accommodation is available in June, July and August. Choose between a private studio or a private room in an apartment shared with other students. Our student residences are all located within easy reach of the city centre and inlingua Edinburgh.

B&B and Hotels

We have a wide selection of 3*, 4* and 5* hotels and B&Bs in the centre of the city to suggest and within easy walking distance of the school. This is an excellent option for business travellers and provides all the facilities you would expect from our preferred hotels.

PRICES AND DETAILS

Live with an English-speaking host and be welcomed as if it was your own home. Practise your English over meal times and immerse yourself in Scottish culture. The distance from school can vary and we will be happy to provide details on demand.

Both homestay options are based on a single bedroom and share of public rooms with access to laundry in a flat or house, where the owner may be resident. Linen and towels are provided. These prices are based on a booking of a 7-night week, Saturday to Saturday or Sunday to Sunday. In July/August mid-week arrivals may be charged for a full week's stay.

Tailor-made Programmes

In-company lessons

Our communicative approach means that you learn the language by speaking the language. The inlingua® Method aims to maximise student talk time and use of the target language inside the classroom. We offer courses in small groups of not more than 10 students suitable from beginner to advanced levels (no mixed-level groups).

Our courses are led by native-speakers. We have a long history of working with local businesses and are happy to hold lessons in your office or at our language centre in Edinburgh's West End.
